Dear Premier and Minister Constance,

I am writing to ask you to make history in NSW by permanently flying the Aboriginal flag on top of Sydney Harbour Bridge.

The flags that fly on our most iconic bridge should be a symbol of unity, respect and reconciliation. They should be a representation of the true Australia, and of our shared heritage.

I'm proud of our Aboriginal heritage, and I want to see NSW recognise and celebrate this every day – not just the 19 days of the year the Aboriginal flag now flies on the Sydney Harbour Bridge.

I therefore ask that you and the NSW government permanently fly the Aboriginal flag alongside the Australian and NSW flags to acknowledge and celebrate our ancient Aboriginal culture.

Should cost be an issue, I note that a crowdfunding campaign is now underway to raise \$300,000 to install a third flagpole for the Aboriginal flag.

I urge you to take this important and historic step by making sure the Aboriginal flag always flies from the Sydney Harbour Bridge.

Yours sincerely,
